Friends & Neighbours Area Gathering

Anyone who travelled the Kilmurry - Quin road in the last few weeks will have noticed a lot of activity around Teereen Loch. This is because next Wednesday evening at 7.30 p.m. the local community will gather for our 16th Friends & Neighbours Area Gathering.

These are invaluable in building the concept of local Christian Community. We are hearing more and more people say that it is through these they come to for a chat with neighbours whom very often they only see to salute. That's the way the world has gone. So these are important in connecting us to one another, to creation and to our Creator.

There can be no more suitable place for these than the edge of a lake. How often do we see in the Gospels that Jesus met the people on the lake shore. Next Wednesday evening we may not launch into the deep but we are launching once again into another stage in our building of community.

As usual everyone is invited from all areas of the Parish. We will have Mass, a cup of tea, stories, history, song and dance. The local people have done a marvellous job. There's a great excitement about this gathering.

Try and be there !!

On Turning 90

Today, Dear Lord, I am **90** and there is so much I haven't done, I hope, Dear Lord, You will let me live until I'm **91**.

But then if I haven't finished all I want to do Would you let me stay a while until I'm **92**.

So many places I want to go, so very much to see, Do you think You could manage to make it **93**?

The world is changing very fast there is much in store, I'd like it very much to live until I'm **94**.

And if by then I'm still alive I'd like to stay 'til **95**.

More planes will be up in the air, so I'd really like to stick, And see what happens to the world when I am **96**.

I know, Dear Lord, it's much to ask, and it must be nice in Heaven But I would really like to stay until I'm **97**.

I know by then I won't be fast and sometimes will be late, But it would be so pleasant, to be around at **98**.

I will have seen many things and had a wonderful time, So I'm sure that I'll be willing to leave at **99** ... maybe
