End of School Year

We've come to the end of another school year. The young people teachers, staff, parents from Sixmilebridge School gathered on Tuesday morning in the Church to thank God for the year. Kilmurry School children, parents and staff will be gathering Monday evening at 6.30 p.m.

We gather to thank God for the school year and for His love and goodness to all of us. The young people prayed for their parents and grandparents, their teachers and school, for those without education and for themselves. They asked God to stay with them and guide them through their future.

It was also a graduation day for the 6th class who were a credit to themselves, their families and their school. Mr. Heagney described them as a group of young people with enormous strong character. All the pupils are the children of their parents, the children of their school, the children of our community and the children of the nation. They are also the adults of the future. It is vital that we adults pass on deep values which will help and guide them through life. And we all without exception, have responsibility to do that.

We wish them all a Happy Summer Holidays and that God will keep them safe. And we wish the 6th Class every Blessing in their new schools and into the future.

Area Gathering

Mt. Ievers

Our next Area Gathering takes place in Mt. Ievers housing estate Thursday evening July 2nd 7.30 p.m. This takes place in a Mid Summer evening when the days are at their longest and the nights shortest. We will celebrate the **Light** at this gathering and thank God for it. We pray too for enlightened minds and deep values at a time when our society is at a crossroads.

The local residents have been busy preparing for this occasion. It is a significant evening for them and for the wider community. All are welcome.

JOHN CROWE

Our local T.D. John Crowe and Mayor of Clare for the last twelve months has ended his term of office since Friday. John as a local business man, and as a great 'Bridge and community man is held in great esteem amongst the people of Sixmilebridge. As always he did our community proud in the way he extended himself to the County and way beyond. **Thanks! John - you did it well.**
