Back to School

Our first big step into the public world, on our own terms, is when we go to Primary School. More recently, for some children its play schools and crèches. We enter as individuals and bring all that we have learned and experienced in our bones into this new and 'strange' place, where our formal education begins. Although much has been learnt at home, in this new place we begin our understanding of the world in a systematic way, beginning perhaps with the key to the secret code of letters and numbers (learning to read and count).

From that first week on we will spend much of our formative years in the hands of teachers. Their challenge and responsibility is enormous. To quote Bryan McMahon, the legend from Listowel:

"A good teacher leaves the print of his/her teeth on a parish for three generations. I realised that each child had a gift and that 'leading out' of that gift was the proper goal of teaching!"

Those of us now growing old think back often to the teachers who left their mark on our formative years. We wish pupils, teachers and staff every blessing as they begin a new school year. We will continue to support you and work at bringing the Parents, Parish and School even closer in our efforts to witness well to the next generation.

Parent Blessing

Father we thank you for the gift of our children. Bless them as they go back to school. May they remember we love them, and that you love them too. Help them to be good listeners, and to love and respect themselves and those they meet every day. As they physically grow, may they also grow in knowledge and love for you and others. Be with them and help them learn today, all the things you need them to know. We ask this through Christ Our Lord. Amen.

Sixmilebridge and Kilmurry Schools will re-open on Wednesday 1st September 2010
