The Transfiguration of Christ

Jesus led Peter, James and John up a high mountain after which he was transfigured.

When have you or others experienced transformation after 'climbing a high mountain' in the journey of life? i.e.

- **the journey to health after cancer treatment,**
- **regaining one's self esteem after a painful separation,**
- **release from an addiction,**
- **journey to reconciliation within a family or a community.**

What was that experience like for us?

Occasionally there are moments when the radiance of God's love seems to break through our everyday experience and flood the core of our being. Jesus allows Peter, James + John to share such moments with him. Can we recall such moments when our lives were momentarily transfigured ...

Moments **'out of time'** that we could not hold on to and yet the memory is still very vivid. The poets captured many of these moments.

Patrick Kavanagh in his poem **'The One'** could say of flowers growing in a bog

"That beautiful, beautiful, beautiful God
 Was breathing His love by a cut away bog."

Clarification....In our tribute to Dick O'Connell in last weeks newsletter we mentioned that "the boys School, Ennis, and Connares, Shannon, are experiencing declining numbers." We have been reminded that reference to Connares is not accurate. We now want to withdraw this statement and to assure these other schools that the intention was merely to highlight the growth of Sixmilebridge School under Dick.
