## Supporting the Local

We are very conscious at this time that many people have lost their jobs and are not finding life easy. Our hearts go out to them. But we must take action too. The days of the big multinational employers coming to Ireland are over. They are now going to the parts of the world where labour is cheap. So, we must do our own thing and play our part to create jobs and support local business. There is no point in waiting around, hoping someone else will do it for us.

So, Congratulations to Joe Bracken for seeing the opportunity and opening a **new Bistro**, The Miller's Loft, at the Square. This stylish restaurant was badly needed. To go there is a lovely experience - for its food, friendliness, opportunity to meet and have a chat. And it employs local people.

This of course is a time to support all our local businesses. It's a time too to update the community on **the Mart**. A small group met executives from G.V.M. on Wed. Aug. 25th. The result of that is that a letter is now gone to the Board of G.V.M. repeating the offer made to purchase the Mart by the farmers and wider Community. This is for their consideration at the September Board Meeting and let the people know the outcome.

And finally, a local initiative worth communicating is that taken by the people of Mill Court. A few people having lost their jobs got together with others in their estate, introduced themselves to each other, and are now involved in painting, cutting grass, sewing flowers etc. We are aware that a lot of initiatives of this kind are taking place and again say - well done.

It's a time to support the local in every way. That is what Christian Community is all about. It's important, of course, to support the local Church. The gathering at the week-end helps to keep in touch with the Lord but also with what is going on. A lot has been happening during the Summer and a lot planned. We need you and we need one another.

A thought .....

"Things turn out best for the people who make the best of the way things turn out".

Killaloe Diocese are this year celebrating 55 years of **Apostolic Work** in the Diocese. To mark the occasion, there will be a special Mass celebrated in the Cathedral in Ennis on Monday Sept. 6th at 7.30 pm. This will be followed by refreshments in the Scout hall. All are welcome to attend.

## SPECIAL PRAYER FOR PEOPLE OF PAKISTAN

Lord, we pray that in their hour of need the people of Pakistan will receive the food, shelter and security they need. We pray also that they will receive comfort in this time of suffering and distress. We pray for the work of aid agencies like Trocaire who are working with people whose lives have been devastated by the flooding. May they have the strength and inner peace to continue their work in the weeks and months ahead.
