“Come to me all you who labour and are overburdened and I will give your Rest.”

Who do you turn to when you are worried, troubled, sick, anxious, stressed?
 Pause ... Is there someone you can identify you have turned to in the past and because you did you felt better. You shared your burden. If there is someone you can trust you are lucky. A lot of people ask for prayers. They put their trust in God. More and more are doing that. Only recently a few people who asked to be included in our prayers here have come back to say ‘thanks’.

The two most important things are:
 - to share with someone you can trust.
 - to ask God for His help.

Come to meand I will give you rest.

The Power of Prayer

The Power and Blessing of a person who will listen.

HOLIDAY PRAYER

Loving Father during this holiday time give us new Hope and new Spirit.
 Renew us in mind and body.
 Inspire us to become more aware of our inner selves and bring us close to you and one another.

We thank you Lord for this time - a time to reclaim my friendship with Jesus Christ, who is our Lord now and forever. Amen.
