Healing - Soul, Mind, Body

Our special Mass: Sat. August 14th at 12.00 Noon

Every day we pray for healing. People ask us to include them in
our Masses and prayers. In our private prayers we turn to God
for healing. We say "when all else fails we turn to prayer"
I think that is not altogether true. Prayer of petition is important
to us all and we do it in our own way. We respond to the assur-
ances we have from the Lord Himself - "**ask and you shall**
receive" and "**Do not let your hearts be troubled** " ...
"I am the Way, the Truth and the Life."

Next Saturday Aug. 14th at 12.00 Noon we are having a spe-
cial Mass focused completely on healing - **Spiritual, Mental,**
Physical. Leaflets are available. We are inviting people to fill
them in with their special intentions. Bring them with you to the
Mass. During the Mass we will have special prayers, music and
of course anointing. If you think anyone needs transport try to
accommodate them.

Teereen Loch - Area Gathering

Again, it would not be easy to describe the Spirit of togetherness so
evident as last Wednesday evenings' Friends & Neighbours Area Gath-
ering. This was our 16th and ranks with the best. It is worth emphasising
that the secret to the success was, once again, the enthusiastic
involvement of the local people. In the weeks leading up to the event
they worked. They prepared the site, cleared a marvellous stone altar,
opened the wall, lit up the side of the lake, prepared cakes, sandwiches,
boilers, fires. They went back into history.

The site itself on the shores of Teereen Loch, overladen with trees could
be described as a little bit of Heaven. The Mass connected us to what
the evening was about. We emphasised the importance of the local and
need for social, cultural and economic reasons to return to the local.
We have bought in to the global - easy movement of people, ideas,
trade across the world but at the expense of local relationships, local
resources, local talent etc. Our young musicians, once again, reminded
us of the talent on our doorstep. The gifts at the Mass represented local
resources and resourcefulness. The history recalling people, places,
stories connected us to our past.

The chat, the cup of tea, the spread of food, the gathering around the
fire into the dark of night, the music and song made it very special.
The comment we heard most often was "there is a huge appetite for
this." And there is.

Thanks again to all who made it so worthwhile

Knock Shrine National Novena

will take place from the
14th to the 22nd of August, inclusive.
There will be two Sessions daily,
3pm and 8.30pm. Both sessions include
concelebrated Mass. Those who cannot
take part in the Novena devotions at
Knock Shrine can share in all of its
blessings by saying the novena prayer
and the Rosary on the nine days.

Novena Prayer

Our Lady of Knock, Queen of Ireland,
you gave hope to your people in a time of
distress and comforted them in sorrow.

You have inspired countless pilgrims to pray with
confidence to your divine Son, remembering His
promise, "Ask and you shall receive, seek and
you shall find".

Help me to remember that we are all pilgrims on
the road to heaven.

Fill me with love and concern for my brothers
and sisters in Christ, especially those who live
with me. Comfort me when I am sick, lonely or
depressed. Teach me how to take part ever
more reverently in the Holy Mass.

Give me a greater love of Jesus in the
Blessed

Sacrament.

Pray for me now and at the hour of
my death. Amen.
