CONFIRMATION

Sixty-seven young people from our parish will be confirmed next Saturday at 3.00p.m. The two gifts we have been emphasising for them at this critical stage of their lives is:

Courage and Wisdom

It's a critical stage because they will move this year from the familiar surroundings of schools within the parish to schools outside. This will mean new friends, new teachers etc. They will also be moving through a new stage of life which we call Teenage years - years of questioning, of growing up - physically, mentally, spiritually. They will be exploring, searching to find their feet in these new experiences. And in that they will be exposed to some challenges and dangers.

So, the gifts of **Courage** and **Wisdom** are vital.

Wisdom to be able to distinguish right from wrong and **Courage** to make the right decisions.

This week, in a very special way we pray for the young people and their families.

We thank their teachers for the work of preparation.

We wish them well on Saturday and into the future and we encourage them to deepen their commitment to their homes and their local Christian Community as they move into their new stage of life.

The 9.30 a.m Mass on **Tuesday** morning will be a special Mass offered for the young people and their families as a prayerful preparation for the day.

All are encouraged to attend.

"Don't forget to return you Trócaire box to the Church as soon as possible."

"First Area Gathering

will be held in the Mart on May Day. Preparations have begun. Don't forget to put it into your diary."
