Our Local Churches

Notre Dame de Paris - Our Lady of Paris - has been one of the most enduring and symbolic monuments of the French capital and among the most celebrated Cathedrals in Europe. To many Parisians, the 850 year old landmark is quite simply the heart of their city. It's the Cathedral with one of the longest and richest of histories, the site of Royal weddings, the Consecration of Napoleon Bonaparte as Emperor and the Beatification of Joan of Arc. These and many other special happenings and ceremonies took place in this cathedral. These were grandiose occasions in Cathedral church. No one knows how the fire started but 1000's just stood speechless, many wept as their Church was burning.

Two Thoughts!

1. France is an extremely secular country - the kind of place Ireland is becoming. In short this means people rely on their own power and turn away from reliance on God. Could this be a sign that people should consider turning back to God.? During this Holy Week we might reflect on this.
 2. What does our local Church mean to us? Are they not sacred places where people gather for special occasions - from birth to death, places we gather too to thank God for the week that was, thank Him for life and who we are and ask Him to help us through the following week.
- Are the Churches not at the heart of our communities?**

A better Sixmilebridge? Have your say!

Representatives from several community groups have come together to consult with residents of Sixmilebridge. We are circulating a survey that we hope you will complete. The results will form the basis of a plan that can improve life in the area.

It's available online at this link: <http://bit.ly/Bridgesurvey> or, you can get and return a paper copy at these locations: **the P.O., Centra, Crowe's Gala, Gleeson's Bar and the Library.** The closing date is **17th May.**

Please ask everyone you know to complete the survey!
Clare Local Development Company (CLDC) is supporting this project under LEADER Rural Development Programme.

An Easter Prayer

Good and Gracious God, Our most Glorious Creator, as we greet the signs in nature around us of Spring once again regaling us in bloom, in the songs of returning birds and fields soon to be planted.

We give you praise for an even greater sign of new life; The Resurrection of Your Son, Our Lord Jesus Christ, that we especially celebrate at this time.

Unhappy is DEATH without the LOVE OF the Saviour.

Unhappy is LOVE without the DEATH of the Saviour.

We ask for your grace that we may live the promise given to us, by imitating the life of Jesus in reaching out to the poor, the marginalised, the least among us, as we strive to be neighbour to all those we meet.
