## VANITY OF VANITIES

Vanity is about empty pride, conceit about ones personal attainments or attractions - that's how the dictionary describes it.

*What do you think of yourself?  
 Who do you imagine yourself to be?  
 Is that the real you?*

Have you allowed **'things'** to remove you from people - from friends?  
 Would you benefit from asking who is the real you?

**The Real You, Stand Up.  
 Be Yourself.**

I think that might be close enough to what He's telling us today in His Word.

"A generation goes, A generation comes, yet the Earth stands firm for ever.

The Sun rises, the Sun sets, there to its place it speeds and there it rises.

Southward goes the wind, then turns to the North;  
 It turns and turns again;  
 Back then to its circling goes the Wind.

**Into the Sea all the rivers go, and yet the sea is never filled, and still to their goal the rivers go .....**

What was will be again, What has been done will be done again; and there is nothing new under the Sun .....

Take anything of which it maybe said,

*"Look Now, this is New"*

Already, long before our time it existed. Only no memory remains of earlier times just as in times to come next year itself will not be remembered.

*Book of Ecclesiastes*
