## AREA GATHERINGS

Over the last number of years we have been holding **Area Gatherings** during the Summer beginning on May Eve. We have gathered in different locations - a hillside farm, a lakeshore, the green on a housing estate, the Mart, a crossroads, cemetery, railway station. They are about connecting people with Christ and with one another, emphasising the power of local community.

This will be our 25th and our next will be ...

**Next Wednesday Evening  
 August 10th 7.00 p.m. at  
 Donnellans Farm, Feenagh.**

These Gatherings are extraordinarily popular and beneficial. They engage the local community their preparation and implementation. If the location is a farm the message is don't go near it until the silage is cut. Pat Donnellan will have cut his 2nd crop of silage before Wednesday night.

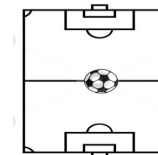

If it's raining Donnellans have Plan B in place - we will gather under shelter.

**You are all welcome.**

We urgently need to remind ourselves of the importance of the local - nature, neighbours. We would like to experience and highlight the decency of people who live all around us. We need to remind ourselves of the importance of our local Church, and the gatherings there, our local shops and businesses. At the end of the day they are crucial to us.
