## TOGETHERNESS

Christmas is all about togetherness. We need one another. We need to be at peace with one another especially at Christmas time in our homes and in our community.

President Obama told the people of Sandy Hook as they were trying to come to grips with their terrible tragedy last Friday week. ...

*"All the worlds religions ..... start with a simple question: why are we here? What gives our lives meaning? What give our acts purpose?"*

*We know our time on this earth is fleeting ..... We know that much of our time will be spent groping through the darkness, so often unable to discern God's Heavenly plan.*

*There is one thing we can be sure of, and that is the love that we have for our children, for our families and for each other.*

*As a community, you've inspired us. In the face of indescribable violence, in the face of evil you've looked out for each other, and you've cared for one another and you've loved one another. This is how you will be remembered ....."*

Isn't there a great message in this for us all at this Christmas time i.e. to care for and look out for one another.

## New Directory of Services

The new Directory of Services which has been put together by our Parish/Pastoral Council is now printed. It has over 100 pages which should be of great interest to everybody in the village and parish. The Directory lists details of all Churches, Community, Voluntary and Sporting Organisations, as well as details of all the businesses in the area, or businesses outside the area, owned by people living in Sixmilebridge. This will be launched in the New Year.
