## Dear God,

Though Christmas Day has passed,  
 the reason we celebrate Christmas  
 continues every day.  
 Your gift of Love, Grace, and Mercy  
 to us is never ending.  
 Thank you that we can count on that  
 every day of our lives. Amen

## New Year's Resolution

A wise person recently wrote - "beat the blues by learning to live with what life has given you." Of course it can be unfair. Some people seem to happily skip through life whilst others find negativity domineering their lives. We know some are given a much heavier load to carry and have good reason to feel 'down'. At the end of the day what can anyone do but one's best to accept the cards they have been dealt.

If you can do that you might discover it's the ultimate road to contentment.

According to the advertisements we can buy happiness - but we know we cannot buy **Peace of Mind** that is to be found in connections, relationships - with ...

- Inner Self** - the Soul, Spirit
- One Another** - at home, in the *Community* - *Nature - Fields, - Trees, - Flowers.*
- Super Nature** - Our God.

We are who we are. Try to live life in the moment. Take time to pause, reflect and be grateful for what you have.

### GOD

Grant me the

### SERENITY

to accept the things I cannot  
 change,

### COURAGE

to change the things I can, and

### WISDOM

to know the difference
