## "THANKFULNESS"

This weekend we come to the end of another Liturgical Year. It is an opportunity for us all to give thanks to God for all that He has given us throughout the year.

Rudyard Kipling lived from 1865-1936. He was an English Poet. His writings not only made him famous but also earned him a fortune. A newspaper reporter came up to him once and said,

**"Mr. Kipling, I just read that somebody calculated that the money you make from your writing amounts to over one hundred dollars a word."** The reporter reached into his pocket and pulled out a one hundred-dollar bill and gave it to Kipling and said, **"Here's a one hundred dollar bill, Mr. Kipling. Now give me one of your hundred dollar words."**

Rudyard Kipling looked at the money ...  
 ....put it in his pocket and said, **"Thanks!"**

"Thanks" is a small word but it has a powerful meaning. It might only have six letters but it gets across a message that few other words are capable of achieving.

Next weekend we begin our journey through Advent.
