Supporting the Local

You, the people, are the local Church and the local Church represents the Christian Community. In practise, this means we care for one another and we will take practical steps to carry that out. We do it every day with individuals. But as a Community we are now called on

- (a) To ensure that we take steps to ensure that we care enough for this community to work together to create an environment where everybody is safe and feels safe.
- (b) To take steps to contribute towards retaining/creating jobs in whatever way we can. This can be done by setting up a business, in whatever shape or form to employ oneself and, if possible, others. But it can also be done by ensuring we are supporting local business. There are shop spaces empty in Sixmilebridge. Why? Obviously because they weren't supported. We have a number of businesses still in our community. Are you supporting them? And, if not, are you serious about making an effort to retain or create jobs within the community? Can you comfortably sit back and do nothing whilst people are crippled with unemployment

Isn't it time for us always to play our part, however small. It is not Governments that creates jobs. It is business; and people who support that business. That is you and me.

Enrolment of Children for confirmation this weekend.

This is a very special year for these young people and their parents. Spiritually we will be praying for them - for a new spirit in their lives with a special emphasis on the gift of courage to be able to distinguish right from wrong. They will be moving into new schools, linking up with new friends, new environments this year. Parents are concerned about that and welcome every help to cope. We have organised a very special talk titled 'listening to our future' on this, for Tues. Mar. 15th at 8.00pm in the Church.

Reflection

Giver of faith, I believe in you;
Giver of hope, I trust in you;
Giver of love, I love in you.
Giver of peace, I rest in you;
Giver of joy, I rejoice in you;
Giver of patience, I wait in you.
Giver of all gifts, I give to you
 praise and glory, love for love,
 now and in eternity. Amen.

A Valentine Prayer

I said a Valentine prayer for you and asked the Lord above, to fill your heart and bless your soul with the precious gift of love. I asked Him for sincere love, the kind that's meant to stay. Just like the generous love you give to those you touch each day. I prayed for love from family and from every cherished friend. Then I asked the Lord to give you His love that knows no end.
