## HELP NEEDED

We talk a lot about community. We believe in how important it is because people need people. We believe too in a sense of place. It's important for us to belong to family, community and place but we're all challenged to make these things happen. We in the Parish, like others are now **URGENTLY APPEALING** to people to give a little of our time to support the things that do make them happen. We decided at the Parish Pastoral Council meeting during the week and somebody asked the question "Is an hour in the week / month too much to give to improve life for others.?" Leaflets will be at Church doors with a list of services. Would appreciate your help. **"Many Hands make Light Work"**
