Fr. Harry is recovering well in hospital after successful surgery during the week. As it is still very soon after his surgery, the medical people have advised that he be given time and space to recover. He appreciates the prayers and support he is getting from everyone.

If anyone in the Parish would like a visit from a priest please contact Parish Office or call Puff at 087-2204820. Bishop Willie is happy to call while Fr. Harry is recuperating. We are very grateful to him for all his help.

Exposition of Blessed Sacrament Fri 3 - 7 pm.

OFFICIAL OPENING OF SIXMILEBRIDGE MART

Last Friday night Fr. Harry opened and Blessed the Mart. A huge crowd turned out for the occasion. A year and a half since its closure, 620 Shareholders, together with a massive voluntary effort signalled the re-opening of the Mart for trade.

It is a great occasion for the farmers, for business people and for the wider community. Well Done! to all who helped make this possible.

ADVENT

The Advent Readings encourage us to walk in hope as a Christian People, to find the fragile new shoots growing up from the stump which seemed to be lifeless, to recognise that God is doing new things among us, even in the midst of desolation and darkness.

Lord, May we find moments of peace so that you can find our hearts ready to receive You afresh.

May a silent night or a cold morning herald your quiet coming into our lives.

May familiar melodies raise again within us a song of joy to your love. Amen.

THE ADVENT WREATH

The circular base is a symbol of eternity. A circle has no beginning or end, just as God's love for us is unending. Decorated with evergreen leaves, is another symbol of everlasting life.

There are five candles - three purple, one pink and one white sitting on the wreath. On each Sunday a new candle is lit increasing the sense of anticipation of the Lord's coming. Today we light our first purple candle.
