World Day of Migrants and Refugees

As we celebrate the *104th World Day of Migrants and Refugees* this weekend it is important that we come together to pray and remember our migrant and refugee brothers and sisters who are living in our Dioceses, our Parishes and especially those in direct provision centres in our country. Pope Francis in his message for World Day of Migrants and Refugees 2018 says that providing aid to migrants and refugees is a *'great responsibility, which the Church intends to share with all believers and men and women of good will, who are called to respond to the many challenges of contemporary migration with generosity, promptness, wisdom and foresight, each according to their own abilities'*.
