## Catholic Schools' Week

Catholic Schools' Week takes place this year from January 29th-February 4th. Catholic Schools' Week is an annual all-Ireland celebration which invites schools to give expression in an exceptional way to the ethos of Catholic Education. It acknowledges the tremendous contribution that our Catholic primary and post-primary schools make, not just to Irish society, but to the mission of the Church. This year's theme 'Catholic schools: Learning with Pope Francis to care for our common home' has been informed by *Laudato Si'*, the 2015 encyclical by Pope Francis on care for our common home. We invite you to share this opportunity with our young people by asking them what they have been learning in school and showing an interest in the themes of the week.

**Come and See:** Young men aged between 18 and 40 who would like to explore and find out more about the life of a Priest, are invited to **Come and See** at a weekend organised for 6pm on Friday 17th February and concluding at 3pm on Saturday 18th February at the Pallottine College, Thurles. This event is free. Anyone outside this age bracket interested in vocations, please contact any Priest for information.
