A Prayer for Every Finger of the Hand

Pope Francis has sewn a lot of seeds and is leaving a lot of legacies. From his time in his native Argentina he left us with a beautiful little prayer for every **Finger of the Hand**.

The Thumb is the finger closest to you.

Begin Praying, therefore for those who are closest to you.

The **next finger** is the **Index Finger**.

Pray for those who take care of people.

The **next finger** is the **Longest or the Highest**.

It makes us remember those who govern us.

The **fourth finger** is the **Ring Finger**. It might surprise many of us, but this is our weakest finger. It is there to remind us to pray for those who are the weakest among us, for those who have to face challenges, for the sick.

And finally we arrive at the **Little Finger**, the smallest of all. The **Little Finger** reminds us to pray for yourself. After you have prayed for everyone else, it will be at that point that you will be able to understand better what your own needs are.

I'm sure Pope Francis would be asking us this weekend to pray for his native Argentina in the World Cup Final.

The Citizens Information Service Mobile Unit will be in Sixmilebridge on Friday 1st August from 10 - 4.00 p.m.
