SINCERE THANKS!

It would be impossible for me to respond to all those who contacted me on the occasion of my Golden Jubilee. I hope each one of you will know how much I appreciate all that went into making it very special. I want to thank all those who turned up on the night - your presence and the presence of such a massive turn-out was overwhelming. Thanks to each one of you for your good wishes, your generosity, and your prayers.

A special thanks to the Parish Pastoral Council for all the work that went on behind the scenes and behind my back!!! I genuinely had no idea what was going on, but I thank them all from my heart. This, of course, includes all those who prepared and brought food - enough to feed the parish - and did it all with a heart and a wonderful spirit. I have already said that the night was a community celebrating and that was hugely important. Outsiders remarked on the fact that all generations were well represented and the great community spirit that was so evident.

The Mass, the Mass booklet, Readings, Reflections - touched the hearts and souls of people. Our thanks again to all who participated. The Choir were outstanding. Their contribution to the night was very special. I and all of us are extremely grateful to Bríd and choir members, not just for that night but for the many Sundays and other occasions during the year.

The final hymn **Circle of Friends** sung by young pupils from 2nd Class in the School was a fitting end to the Mass. Once again the Scouts did us all proud. We are so grateful to you again for being such a wonderful presence in our community.

Even though the crowd was huge the organisation and contribution of so many volunteers made it easy for everyone.

A very special thanks to Sean Hawkshaw, who recorded the whole night on DVD and to Paddy Higgins who photographed people and special moments right through the night.

You are the best - all of you and a community to be proud of.
