## TEACH US TO PRAY

It is comforting to know that the Lord's own close followers struggled with prayer. They ask in the Gospel today - **Teach us how to Pray**. He did. He taught the only Prayer we know of from His time on earth - the **Our Father**. For the most part when we pray is we tend to rattle off the words without giving too much thought to what they mean.

It's a prayer worth thinking about - it is full of meaning. It includes asking God to Forgive us our faults as we forgive others.

**Thy will be done on earth** - the will of God - the power of will - Will - Power - Inner Strength. How much we need these. Forgive somebody and set yourself free. Will-power - the strength to cope with the challenges life throws at us. When there is nothing left to do we pray. Somebody once said,

*'I pray because I can't help myself'*

*I pray because I'm helpless'*

*Prayer doesn't change God - it changes me.*

**'Lord Teach us to Pray'**
