End of School Year

We have come to the end of another school year. Young people, teachers, staff, parents from Sixmilebridge and Kilmurry Schools gathered during the week to thank God for their year at school.

It was also a **Graduation Day** for the **6th Class** who are a credit to themselves, their families and their school.

Sixmilebridge National School Principal Gareth Heagney shared the following pieces of advice.

... **Believe in Yourself.** Don't let your fears overwhelm your desires and dreams. You will never know what you are capable of unless you try.

... **Find your passion in Life.** If you have not found your passion in life yet, you will find it later. Keep seeking it. You will not find it in material possessions or money. If you have to choose, choose happiness.

... **Take Control of your Life.** Your time is limited so don't waste it living someone else's dream. Take control of your life by taking control of your attitudes. Live life honestly.

... **Live Life Today, Don't wait 'til Tomorrow.** Do not look back and grieve for the past - it is gone. Do not be troubled about the future, as it has not come yet. Live in the present and make it worth remembering.

... **Give Back, Be Generous.** Living your best story is about helping others and that is the greatest source of personal fulfilment. As each day in your story moves forward do something to make yourself a better person and do something for someone else. Make a difference.

... Above all else **Treat Others With Dignity.** Consider each person to be of equal worth to yourself. It is important for you all to remember that every other individual has as much worth as you do. That is the golden rule for all of us to live by.

We wish them all
Happy Summer Holidays
 and pray that God will keep them safe.
 And we wish the 6th Class every
 Blessing in their new schools
 and into the future.

*Happy
 Holidays*
