Timmy Crowe (Jnr)

Congratulations! to Timmy Crowe (Jnr) who represented Ireland at the European Athletics Games last week in Helsinki. To represent your country is a huge honour. We are proud that one of our own won the Irish Singlet in an International event.

AREA GATHERING

Next Area Gathering will take place on **Tues. July 17th at 7.30 pm** on the Inhis Orga Estate. The Gathering will cover the following areas: Inis Orga, Oakwood, Lodge Road, Woodview, Chapel Court, O'Garney Heights, Church St. Representatives from these areas met on Thursday evening with representatives of the Pastoral Council to begin the organisation of the event. Details identified for action are - each house in the above areas will be visited with invitation to the Gathering; history of the areas to be prepared; site identified for the Gathering, organisation of music, hospitalities, performances, scouts to be contacted etc. Already there is every indication that once again this will be an eventful and exciting community event. Gifts will include colours of counties and countries of origin of residents and so the importance of 'getting to know' one another.

It begins as always, with Mass which will reflect the Area - it's people and its history. This is our 20th Area Gathering. They are very special events in our story of building a genuine Christian Community. All in the wider Community are especially encouraged to attend with the purpose of connecting with people who have made Sixmilebridge their home.

Prophet in his/her own Place

Building Community is a vital aspect of what we are about in Sixmilebridge/Kilmurry. The Area Gatherings are central to this but also encouraging and supporting events, local business, neighbourliness in all their dimensions. The ground is ripe for this in our Community. There are good neighbours, people do support one another especially at times of bereavement and set-backs. But there is always room for improvement. And like in Jesus time begrudgery can be damaging. When He went to His home place they asked 'who does He think He is?' It's a time to get above all that and support the local in every way possible. That's the Christian way and that is what we call ourselves.
