## COLLECTIONS

We would like to apologise for the fact that there were three collections - Church Gate, Foreign Missionary Order and our regular collection. Both the Church Gate and the Order collections are imposed on us from outside. In these times when a lot of people find it hard to live we were embarrassed with the fact they took place. Because of complaints from people regarding Church Gate Collections, we are making arrangements to have these collections taken up across the road from the Church (as is the case in Kilmurry) so as to avoid embarrassment for people who may not be in a position to contribute.

Our own basket collection is the only source of funds for administering the range of activities within the Parish. We are extremely grateful to people for their ongoing generosity and appreciation of all that is happening in our efforts to foster and develop a truly Christian Community.

## The Body of Christ - Corpus Christi

God loved the world so much He sent His Son. He took flesh. He experienced what we experience. He lived among us. He told us He would be with us to the end of time. Present in very special ways. Especially in the Mass. Sacred time. He comes among us in His Word. The people gather to listen, but above all to receive Him.

**The Consecration** - Priest takes the Bread and the Chalice. **This is My Body, This is My Blood.** The bell rings. Dead silence. - You can hear a pin drop. - Something extraordinary is happening. - Mystery. But we have His Word for it. His Body and His Blood.

*We Believe. Help our unbelief.*

And we are a Eucharistic Community. We are called on to be a welcoming people, to keep in contact with one another, and, at the end of the day all depends on God.

## A Prayer for Those Doing Exams

Dear Father,  
 Source of all wisdom,  
 Help the students to use their time and their intelligence wisely as they prepare for each exam. May they be well disposed to listen to your Holy Spirit. Help them to remember the things they have learned and studied. Help them not to be so nervous that they will do themselves an injustice. Lead them to understand that the supreme wisdom is knowing they are your children. Help them to remain serene so that their work may truly reflect this profound truth. Mary, Mother of our spiritual life, Guide them in the ways of your Son, so that their work may help to transform this world for His glory. Amen

*We remember and pray for all students beginning their exams on Wednesday at our daily Masses.*

## Justice Corner Contd... /

There is growing anxiety that the austerity measures introduced to respond to the economic crisis are now coming to a social breaking point.

Some time ago the National Congress of the Society of St. Vincent de Paul noted that people who one year ago were contributors to the society are one year later turning to the Society for help. Patience is wearing thin; it is hard for some to hope.

An awareness of this fact is vital in every community. If you are comfortable Thank God for it. Not everybody is.

## Novena to the Sacred Heart

will continue each day until Feast of the Sacred Heart on Friday 7 June. Mass each day will include the Novena Prayer. Copies are at Church doors. A novena prayer will be posted each day on our website.
