## Our Prayer For All Those Doing Exams

Lord, pour out your Spirit of wisdom on all students doing exams at this time.

Help them to remain calm, to attend carefully to the questions asked, to think clearly, to remember accurately, and to express themselves well.

Grant that they may reflect the best of the work they have done, and the best of the teaching they have received.

When the results come out may they be satisfied that they did their best, and may whatever path they chose in life bring them happiness.

May your Love be upon them O Lord as they place all their trust in you. Amen.

## Students Prayer Before Exams

Lord, as I prepare for this examination, let your strength and your wisdom be present to me.

May I revise my work thoroughly.

May I understand what it is I have to know.

May my memory be reliable and orderly.

May I be calm and focused on the task ahead.

May I know and feel the love and support of my family and friends.

And may you, the author and creator of all things, enlighten me. Through Christ Our Lord. Amen.

Fr. Harry had minor heart surgery during the week and is recovering well. We wish him well and continue to keep him in our prayers. He hopes to be back with us very soon.
