On this Mothering Sunday we remember mothers all over the developing world who face the daily struggle to feed their children, clothe them and send them to school. Trócaire works with thousands of families in the world's poorest countries to support them in this struggle.

## Your Mother is Always with you.

She's the whisper of the leaves as you walk down the street.

She's the smell of certain foods you remember, flowers you pick, the fragrance of life itself.

She's the cool hand on your brow when you're not feeling well.

She's your breath in the air on a cold winter's day.

She is the sound of rain that lulls you to sleep.

Your Mother lives inside your laughter.

She's the place you came from, your first home,

and she's the map you follow with every step you take.

She's your first love, your first friend, even your first enemy.

But nothing on earth can separate you  
 not time - not space .... not even Death.

## Mother's Day Prayer

### Loving God,

We thank you for the Love of the Mothers you have given us. Whose Love is so precious that it can never be measured.

Whose patience seems to have no end.

May we see your loving hand behind them and guiding them.

We ask you to Bless them with your own special Love.

### We pray

for those who are grieving the loss of their Mother

For those who have experienced the wonder of an adopted Mother's Love.

For families separated by war or conflict.

Lord, give them your special Blessing.

We remember with love and gratitude all our mothers living and dead on this Mother's Day.

**St. Patrick's Day** is traditionally a day when we celebrate Ireland and what it means to be Irish. We remember in our prayers those who have emigrated. St. Patrick first encountered Ireland as a migrant. Thus, it is fitting that on the Feast of our National Patron, we again seek to highlight the needs of the many Irish emigrants spread throughout the world. We remember in a special way those emigrants whose journey has been a difficult one, particularly the elderly Irish in Britain, our undocumented in the United States and Irish prisoners overseas.
