LENTEN TALK

Wednesday March 26th 7.30 p.m.

Speaker: Ms. Rita O'Brien

Topic:

Has instilling Faith in our Children any meaning for today's Parents

A Parent's View

With regret we had to postpone last Wednesday nights talk with Davy Fitzgerald. This will be rescheduled at a later date.

Fr. Harry would like to express his sincere gratitude to everybody for their help and support during his recent family bereavement.

The Joy of Sharing our Faith

Jesus is the first and greatest evangelizer and reaches out with love, compassion and kindness to the woman at the well.

Women were considered second class citizens in the ancient world and she was a Samaritan - Jews did not associate with Samaritans for fear of being unclean. Her encounter with the Lord changed her life and she went out and shared with others what Jesus had done for her.

She is a model of how to evangelize. She received new life; she shared new life. She did not keep the grace to herself but became a herald of the Gospel.

Lord, may we recover and deepen our enthusiasm and be an evangelist who is not dejected, discouraged, impatient or anxious, but a minister of the Gospel whose life glows with the fervour of when we first received the joy of Christ.
