## Our Confirmation Day

My Lord God, we have no idea where we are going.

We do not see the road ahead of us.

We cannot know for certain where it will end.

Nor do we really know ourselves.

But we come to you with a sincere desire to know your ways, to experience your love for us, and to walk according to the guidance of your Holy Spirit.

Be with us on this journey and keep alive our desire to please you that we may never do anything against that desire.

May we have an open mind and willing hearts that we may grow in the knowledge of the Good News of Your love for us.

May the life ahead of us be peaceful ,

And may we feel secure in the knowledge that God Loves us.

**Guide us by your Holy Spirit Lord,  
 on this our Confirmation Day  
 and be with us on our journey through life. Amen.**

## CONFIRMATION

Fifty eight young people received Confirmation yesterday. This has a real significance for them at a significant time of their lives. They are beginning their teenage years. Everybody realises, most of all parents, that because this is a growing up time, more than any other they need all the support they can get or indeed accept. Physically, mentally, spiritually they will be experiencing change. Next September they will be moving to new schools, new teachers, new friends. They will be challenged to cope with new pressures, including pressures from peers.

Confirmation is significant in that it reminds them of two vital gifts: Wisdom - to know right from wrong, Courage - to say no to influences which can damage them - morally, physically, spiritually. They need encouragement to stand on their own feet, to be themselves. **We wish them well.**

## People of Nepal in Dire Need

Another deadly earthquake hits Nepal. In April 8,000 people died, millions left injured and homeless, including children.

**Trócaire** is involved in rescue operations there. We can make some little contribution to helping. Thanks to people who responded to our recent appeals.

This coming week we will be sending off our contributions to Trócaire. If you feel you can give even a little could you drop it in to the Parish Office or give it to one of us involved in the Parish. This is a real genuine cause, if ever there was one.

### Sixmilebridge + Kilmurry Scouts Clothes drive Fundraiser

May 11th to May 22nd. Please bring your unwanted clothes, bags and shoes to the Station House Mon to Thurs 6.30 - 7.30 p.m. Fri. from 7 - 9 p.m. Please **NO** bed linen, curtains or duvets as they are not accepted. Thank you for your support.

**Bridge Utd** are preparing to commence with redevelopment of their grounds on the Shannon Road. The new development will consist of drainage and relaying of two playing pitches, dressing rooms and other associated works including lighting and boundary walls and fencing. We have been calling to homes in Sixmilebridge delivering brochures and informing people of our plans. As with any development of this size, fundraising is a priority. We are aiming to extend our successful 150 club draw to accommodate up to 400 people. The draw costs just €10 per month to enter. We will be in the parochial hall after both masses this weekend if people would like to drop in and view our development plans. As always we would like to thank the community for your continued support.

"Lord, there can be no Peace without Justice.  
 Bless this world with Justice."
