WORLD MISSION SUNDAY

Each year Mission Sunday is celebrated throughout the world to raise awareness of the Church's Mission, its universality and total inclusivity. Today the Church asks that all peoples and all nations work "together in mission".

Once a year, on Mission Sunday, the Pope asks us to show our support for the missionary work in the younger Churches throughout the world, especially those in greatest need.

Everyone of our 1,900 Irish missionaries will tell you of the importance of the support they receive from the Irish people, both spiritually and financially. They feel a togetherness and connection with you at home as they go about their missionary work.

Mission Sunday is the one specific day annually we, as individuals, together with the rest of the world, get the opportunity to show these wonderful missionary men and women that we are truly together with them in mission and that we are sincerely grateful for the inspiring and admirable work they do in spreading God's Word.

Today we demonstrate this clearly in two ways:

By prayer

By donating whatever we can to today's Mission Collection.

All monies, every cent, collected in our Mission Collection will be distributed universally to support the missions throughout the world. We understand that in these difficult economic times there are many pressures on our personal finances and ask you to please give as generously as you can.

On behalf of our Irish Missionaries we 'Thank You for your support'.

Recent GAA Club Success

We congratulate Junior B's on winning County Championship.

The Senior Team on winning the Clare Cup. And the U.16's for winning their County Championship.

Well Done! to all.
