This space will be open for the Lenten period and young and old are invited to visit this fun, thought-provoking and reflective space.

## "The Lord is Compassion and Love"

Repent is the word of Lent - and followed by the invitation to believe the Good News of the Gospel. God is not a punishing God. A fig tree had three years to get good. It is a precious tree because it uses little water. This one has not produced its fruit. God gives a second chance all the time. We never give up on His love. We may need also to give God another chance. We know we get angry at times. People find that many good things can happen even in bad times.

**"Save us in Your Love O Lord"**
