A Poem of Remembrance ...

Somewhere in the early morning of Eternity,
 you are running free.
 Loosened from the bonds of Earth.
 Unchained from all that bound you here.
 The years together were too brief,
 yet who is to measure time?
 Or how long is long enough?
 You brought joy and whispered hope
 to those who love you most.

A single thread of darkness or loneliness
 pulled you beyond to the moment of now.
 We cannot fully understand nor shall we try....
 We simply know that somewhere
 in the vastness of all that is,
 you are running free and the ocean of eternity cools your feet,
 as you run unhampered on the sands of all tomorrows.
 You carry now no burden, no chain, nor bond to hold you.
 You carry only the warmth and the love of those who cared.
 So run free and open your arms
 and touch the clouds
 and dance with the morning sun
 and know that, even in our tears,
 we celebrate with you
 and bid you good journey,
 'till we meet again tomorrow. Amen.

When Someone we Love Dies, their Spirit lives on in Us.
 We can't hug them or see them with our eyes.
 But we can still feel them in our hearts.
 That brings us comfort.
 When we love Someone, they become an indelible force in our lives,
 even after they're gone.
 We remember the way they told a joke, wore their hair,
 and walked into a room....
 The littlest things will trigger memories of the sound of their voice,
 their scent, the times spent with them.
 We recall how they dealt with hard situations
 when we are faced with the same things.
 We will always wonder: are they watching over us
 or know how much we miss them.
 When we love someone, their spirit lives forever in our hearts.
