Feast of Christ the King

Next Sunday we begin the Season of Advent; our time of preparation for Christmas. Therefore this Sunday marks the end of our current Liturgical year.

Before we begin the Season of Advent, we are asked to reflect upon Christ our King. When Jesus was asked by Pilate if he was a king, Jesus said that he was a king.
So, what sort of king was Jesus?

He was born in a small, poor and unimportant village.

His parents were not famous, powerful or wealthy.

His first visitors were the poorest of people - shepherds.

He never wrote a great novel.

He didn't eat or associate with rich or powerful people.

He never led an army into battle.

He did ask people to take up their cross and follow him.

He didn't surround himself with politicians, soldiers or bankers.

He did sit and eat with people who were usually despised, ignored and rejected.

He reached out to embrace those others saw as worthless and as sinners.

He didn't live in a castle surrounded by maids or servants.

He did spend his time with the poor, the sick, the broken and all those who were in need of love, healing and compassion.

He didn't own anything.

He didn't have any riches or wealth that the world thought much of;
 but he did share his greatest possession with us ...
