Starting on November 7th - Developing Liturgical Music Ministry

The Diocese is offering a 2 year programme on "**Liturgy and Music**" in a response to a need identified in the Pastoral Plan. The programme (run over 7 Saturdays in the coming 2 years) will develop those currently involved in music ministry in the areas of Liturgy, Leadership, and Musicianship. This is open to all who are involved in choirs/folk groups/any aspect of liturgical music in the Diocese. This is an exciting programme, endorsed by the Centre For Liturgical Studies in Maynooth. For more information, contact Don O'Sullivan at 086 8539908.

PRIDE OF PLACE

There are many reasons why people are proud of who they are and where they come from. The fact that it is home for us is a very good one. The fact that it is a good community is another and people care for one another. There are many other reasons. It is worth remembering the organisations and the voluntary efforts that go into making it a good place to live in and to be proud of. This weekend we want to mention two of these.

Tidy Towns The G.A.A.

Tidy Towns: This year Sixmilebridge reached a milestone in terms of the Tidy Towns. They competed in competition for the 25th year, while the village also secured its highest ever marking of 295.

The report was extremely positive about the place, as a very attractive town with the benefit of a good number of heritage buildings.

Thanks to the **Volunteers**, the **Committee** and in a very special way to **Margaret and Jimmy**. They contribute in a special way to Pride of Place.

The G.A.A.

Contributes in numerous ways. For now suffice to remind ourselves that the Senior Hurling Team is competing for its 12th title, having won the first back in 1977.

The team generates

Loyalty and Pride

Pride in the Jersey and in the Place.

A County Senior Final is very special.

It remains in the memory.

We wish them well.

Justice and Peace and Care of Creation Strand of the Pastoral Plan

Inspired by the words of Pope Francis in Laudato Si', we are joining with Catholics worldwide, as part of the Global Catholic Climate Movement, to call on our political leaders to take urgent action to prevent climate change pushing people deeper into poverty. Be part of this global movement by signing this petition now and we will deliver it to Taoiseach Enda Kenny on your behalf, before they travel to Paris for the major climate negotiations there at the end of November. Please sign the petition here: <http://www.trocaire.org/takeaction/climate-justice> or alternatively you can log onto the Killaloe Diocese Justice and Peace group Facebook Page and sign from there.
