Programme for Parents

On Thursday night the Meaning to Life Sub-group of the Parish Council met a small group of parents for the 2nd time to involve them in the preparation of a Parent Programme for First Communion and Confirmation Children.

Our role as Parish is to facilitate the parents and help the teachers in the schools with the children. Religious Education is about school, parents and parish working together. Teachers play a big part in the preparation. But parents are the key to it and the parish play its part. Questions we would like parents to address might be:

What to they want for their children?

What values do they want them to grow up with?

What's it all about - Do they know what the Sacrament means?

Do they see any connection a) with home, b) with real life.

These and other questions will be part of programme we are now preparing and inviting parents to take part in.

Because of the numbers involved we will start with the First Communion Parents and then move on to Parents of Confirmation Classes. As a Parish we will remember them in our prayers.

Mission Sunday:

The people in Killaloe Diocese have been urged to support missionaries working in some of the world's poorest countries by donating during the forthcoming Mission Sunday collection on **October 23rd**. The theme for World Mission Sunday in Ireland this year 2016 is "**Every Christian is a Missionary**". As we thank you for your wonderful generosity to the Missions over the years we invite you to please continue to help our young churches to share the gift of faith through your prayer and whatever financial assistance you can.

Sixmilebridge National School

The school has received confirmation that the Building Project is proceeding to Stage 3: Tender Action. This is the last stage before the commencement of construction. The short-listed building contractors will be required to submit their tenders in the coming weeks before the successful contractor is appointed and works can begin.
