## WORLD MISSIONS IRELAND

On behalf of the Society for the Propagation of the Faith thank you for your support on Mission Sunday. In 2014, the Mission Sunday Collection in Killaloe Diocese amounted to €64,642. Thank you for your great generosity in difficult times. The people in Killaloe Diocese have been urged to support missionaries working in some of the world's poorest countries by donating during the forthcoming Mission Sunday collection on October 18th. The theme for World Mission Sunday in Ireland this year 2015 is "Abundant Life". As we thank you for your wonderful generosity to the Missions over the years, we invite you to please continue to help our young churches to share the gift of faith through your prayer and whatever financial assistance you can.

**Congratulations and Well Done**

## PARISH - HOME - SCHOOL

There is a new programme being taught now in schools about the Christian story, the place of God in people's lives, values for ourselves and our children.

Our Parish is proposing to put a programme in place for parents to connect in with the schools. In effect this means **the parish - the home - and the school** getting involved in bringing a real meaning to life through our Christian Faith. We will be putting in place 3 sessions for meeting the parents. These are proposed to take place on

**Wednesday 11<sup>th</sup> November 2015**  
**Wednesday 2<sup>nd</sup> December 2015**  
**Wednesday 13<sup>th</sup> January 2016**

They will take place at 7.30 p.m in Sixmilebridge Church. We are privileged to have a man from Mary Immaculate College, **Dan O'Connell** who part wrote the programme to give the three talks.

However, the talks will only be a part of the overall programme for parents. It will include the invitation to form optional Parent Focus Groups. A number of parents will be invited to host simple conversations in their own homes following each session. Cards with two reflective questions, prepared by Dan will be prepared for parents to take away at the end of each talk.

**The Meaning to Life Group and Parish Council** will be heavily involved in preparing these sessions and the discussion groups in the homes. We will be briefing the wider community on all of this in the next few weeks. We are very excited about this. We believe it could be a real practical way of connecting

### Parents - School and Parish.

**Parents of Junior and Senior Infants, First Communion and Confirmation Classes will be invited to take part. As well as practical preparation for this programme we will include it in our Masses, Eucharistic Adoration and prayers at home and in the Church.**
