## Today is World Mission Sunday

It is a special day set aside by the Propagation of the Faith so that Catholics worldwide can rededicate themselves to the missionary work of the Church by prayer and action. Every parish in the world celebrates this day on the same date. The theme given by Pope Francis for 2018 is "Together with young people, let us bring the Gospel to all." We are all obliged to be missionaries. Jesus commanded His disciples, "Go into all the world and proclaim the gospel to the whole creation. He who believes and is baptized will be saved; but he who does not believe will be condemned". (Mark 16: 15- 16). We pray for all missionaries who live in difficult situations, that they may they never lose heart and always be a sign of hope for those to whom they minister. Amen.
