Prayer for Strength

Every day we need you Lord
But this day especially,
We need some extra strength
To face whatever is to be.
This day more than any day
We need to feel you near,
To fortify our courage
And to overcome our fear.
By ourselves we cannot meet
The challenge of the hour
There are times when humans help
But we need a higher power
To assist us bear what must be borne,
And so dear Lord, we pray,
Hold on to our trembling hands
And be near us Lord today. **Amen.**
