As we are all aware that an urgent appeal is being made to people in Clare to follow public health guidelines, following a number of outbreaks of Covid-19 in this county. And fears that this number will grow over the coming days. The surge in cases has led to all First Communions and Confirmations in the county being called off. This was following strong instruction from HSE to Bishop Fintan who has asked all parishes in the county to postpone these events. We have to understand that all of this is for the well being of everyone. We only have to have one case to remind us of how serious it is. We need to be very mindful of those who are minding us in our hospitals. We thank them for the huge effort they make to keep us all safe. We are all responsible for our own safety by keeping the rules.

As we move into **Winter with Covid-19** we are working on how best we will manage the numbers for our Masses. A total of 50 people are permitted in Church.

We are trying to limit the numbers of anniversary Mass intentions to one for each Mass. To ensure that family members will be in Church, one seat will be reserved for you.

We ask anyone who is not feeling well to please stay at home.

Please bring and wear your face mask as you enter Church.

Please use hand sanitisers at door entrances.

Please leave a 2 meter distance when leaving Church.

Please remain seated during Mass and stand only if you would like to receive Holy Communion. Fr. Harry or a Eucharistic minister will come to your seat.

If by keeping the rules we can save one life isn't it worth it.
