New Year's Resolutions

This special prayer was composed by Mother Teresa as a rule of life for her and for us.

People are often unreasonable, irrational, and self-centred.....
Forgive them anyway.

If you are kind, people may accuse you of selfish, ulterior motives.....
Be kind anyway.

If you are successful, you will win some unfaithful friends and some genuine enemies.....
Succeed anyway.

If you are honest and sincere people may deceive you.....
Be honest and sincere anyway.

What you spend years creating, others could destroy over night.
Create anyway.

If you find serenity and happiness, some may be jealous.....
Be happy anyway.

The good you do today, will often be forgotten.....
Do good anyway.

Give the best you have, and it will never be enough.....
Give your best anyway.

In the final analysis, it is between you and God.
 It was never between you and them anyway.

Our New Year Prayer

God of this New Year, we are walking into mystery. We face the future, not knowing what the days and months will bring to us or how we will respond. Be love in us as we journey. May we welcome all who come our way. Deepen our faith to see all of life through your eyes. Fill us with hope and an abiding trust that you dwell in us amidst all our joys and sorrows. Thank you for the treasure of our faith life. Thank you for the gift of being able to rise each day with the assurance of your walking through the day with us. God of this New Year, we praise you. Amen.
