## BEFORE I TRY TO CHANGE EVERYONE ELSE

### FIRST CHANGE MYSELF

The following is inscribed in a tomb in Westminster Abbey;

"When I was young and free and my imagination had no limits, I dreamed of changing the world. As I grew older and wiser, I discovered the world would not change, so I decided to change only my country. But it seemed too immovable. As I grew into my twilight years, in one last desperate attempt, I settled for changing only my family, those closest to me, but they would have none of it. And now, as I lie on my deathbed, I suddenly realise, if I had only changed myself first, then by example I would have changed my family. From their inspiration and encouragement, I would then have been able to better my country and, who knows, I may even have changed the world."

"The Church sometimes has locked itself up in small things, in small minded rules. The most important thing is the first proclamation: Jesus Christ." Pope Francis

### October ....
