The moral of the story is that **we should put aside our differences and help those who are in need of help.**

The Samaritan did not think about the race or the religion of the man; he just saw a man who needed help.

**Lord, help us to always be a Good Samaritan and not just a passer by.**

**Lily Mahon** and her friend **Aoife Keenan** were to travel to India with 'HOPE' during Easter of 2020. Unfortunately, Covid 19 intervened and it was cancelled.

The Parish, Camogie Association, GAA, Walking Club, Musicians, Gaelgóirí, local community in general, etc. were extremely supportive and generous when they were fundraising, and all money raised was forwarded to 'The HOPE Foundation'. They feel that it is important that our parish community are informed. Please see a copy of letter from the Hope Foundation.

Dear Lily & Aoife,

On behalf of the Hope Foundation, I would like to thank you for your fundraising in 2019 & 2020.

The money you raised was vital in maintaining and supporting our 60 projects in the areas of healthcare, education, capacity building, emergency response and vocational training.

Our Hospital opened a new COVID ward, and our emergency response team delivered sanitation kits and food packs in the slum and street connected communities of Kolkata.

- 28,783 food packs were distributed
- 11,144 hygiene kits were distributed
- 6,430 tarpaulins and 2,362 solar lights were distributed
- 118 Covid patients were treated in Hope Hospital

We thank you again for your dedication, you will always be a friend of HOPE.

Kindest regards,

*Charlie McBurney*
