The tree stands so patiently.
 Not asking, 'What can I be?'
 For a tree is as sure as a tree can be
 that its purpose in life is to be a tree
 Without a doubt, it knows its worth,
 Roots delving deep into the Earth,
 Branches standing strong and proud,
 Pointing at the passing clouds,
 All of nature loves the tree,
 In its beautiful simplicity,
 And without speaking,
 It teaches me To be happy with just being me.

Being Humble means recognising that we are not on earth to see how important we can become, but to see how much difference we can make in the lives of others.

In a society that has you counting money, pounds, calories, and steps, be a rebel and count your **Blessings** instead.

Forgiveness is unlocking the door to set someone free and ...realising you were the prisoner.

Character is how you treat those who can do nothing for you.

Please remember:
 - Your job is the dream of the unemployed
 - Your house is the dream of the homeless
 - Your smile is the dream of the depressed
 - Your health is the dream of those who are sick

Don't let difficult times make you forget your blessings 🙏

A Note of Thanks to Pat and Dr. Padraic

Fr. Harry and the people of Sixmilebridge would like to thank **Pat Fitzgerald** for his long years of service to G.A.A. in Clare and in a very special way in Sixmilebridge.

It won't be easy to follow the kind of service Pat has given. We wish him well in his retirement.

We are also very grateful to **Dr. Padraic Quinn** for his service of over 30 years to Clare G.A.A. and also for his continued dedication to the people of Sixmilebridge and surrounding areas. We hope he will be with us for many years to come.
