Prayer for Spiritual Communion

My Jesus I believe that you are present in the Most Holy Sacrament.
I Love You above all things and I desire to receive You into my Soul.
Since I cannot, at this moment receive You sacramentally,
come at least spiritually into my heart.
I embrace You as if you were already there and
unity myself wholly to You.
Never permit me to be separated from you. Amen

Thoughts During Lent

Solitude is one of the most precious things in the human spirit. It is different from loneliness. When we are lonely, we become acutely conscious of our own separation.

Solitude can be a homecoming to your own deepest belonging. In each person, there is a point of absolute nonconnection with everything else and with everyone. This is fascinating and frightening. It means that we cannot continue to seek outside ourselves for things we need from within. The Blessings for which we hunger are not to be found in other places or people. These gifts can only be given to you by yourself. They are at home at the hearth of your soul.

"Simple Maths"

"2get" and 2give" - Creates many problems

So, just double it ...

"4get and 4give" - Solves many problems

Once all villagers decided to pray for rain. On the day of prayer, all the people gathered, but only one person came with an umbrella.

That is Faith

When we got to bed without any assurance of being alive the next morning, but we still set the alarm to wake up.

That is Hope

We see the world suffering, but still, bring children into the world.

That is Love
