### **A few thoughts .....**

"Smart people speak from experience.  
Smarter people, from experience, don't speak."

"Quiet people aren't the only ones who don't say much."

"Affection can withstand very severe storms and turbulence but not a long polar frost of indifference."

## The Indispensable Man ... (or woman)

Sometimes when you're feeling important  
Sometimes when your ego's in bloom  
Sometimes when you feel that you  
Are the best qualified in the room

Sometimes when you feel that your going  
Would leave an unfillable hole  
Just follow this simple instruction  
And see how it humbles your soul!

Take a bucket and fill it with water,  
Put your arms in it - up to the wrists  
Take them out - and the hole that remains,  
Is a measure of how you'll be missed!

You may splash all you please when you enter,  
You may stir up the water galore,  
But stop - and you'll find in a minute,  
That it looks just the same as before!

The moral of this is quite simple -  
Do just the best that you can,  
Be proud of yourself - but remember,  
There is no indispensable man! .... (or woman)

## How Often?

How often do we think that God's not listening to our prayers?  
How often do we feel neglected, feel that no one cares?  
How often do we beg, beseech, for answers to our call?  
How often do we think that there's no one there at all?  
Do we never stop and thank the Lord for each new dawning day?  
Do we never stop and thank Him for the friends He sends our way?  
Do we never stop and thank Him for His beauty all around?  
Do we never stop and realise, His loving knows no bounds?  
Our every prayer is answered in the whispers of the wind.  
Our every prayer is answered in forgiveness of our sins.  
Our every prayer is answered in the Blessings we can't see.  
Our every prayer should simply be:

**'Thy will be done to me.'**
