A Prayer for the earthquake in Turkey and Syria

We pray for the people of Central Turkey and North West Syria, whose lives have been devastated by the earthquake. Be present, O Lord, our Good Shepherd, to bring comfort, relief, shelter and human kindness. Shield the people who suffer, console those who are bereaved, prosper the provision of relief, strengthen the work of emergency teams, and shine your light and hope in the midst of despair.

We pray especially for Mohammad and his family who live in Sixmilebridge and for his family members who have been killed and injured as a result of the earthquake.

Feast of Our Lady of Lourdes World Day of Prayer for the Sick Saturday 11th February

PRAYER FOR HEALING

Lord, you created me.

My body is sick now and perhaps my soul too.

Please heal me, renew me.

Repair the body you had made.

Refresh the soul you created for eternal existence.

You alone know how to restore my health, for you created me.

Make me whole again so that I may live my life for you. Amen..

St. Bernadette Reflection...

"If one dream should fall and break into a thousand pieces...

Never be afraid to pick one of those pieces up and begin again.

That's the beauty of being alive ...

We can always start all over again.

Enjoy God's amazing opportunities bestowed on us.

Have faith in Him always."

"Health is a crown worn by those who are well and seen only by the sick"

Trócaire - 50th Anniversary Prayer

We pray for God's blessing on the work of Trócaire.

We pray that all people may continue to work together for the respect of our shared human dignity and shared human rights.

We thank God for the partners and generous supporters who have enabled Trócaire to continue their work for over fifty years, empowering communities to work together for a just world.

We pray for peace and may that peace be mine and yours, and with all people experiencing crises in our world. Amen.
