Words of Wisdom

"Courage is fear that has said its prayers"

"If at first you don't succeed, you'll get a lot of advice"

"A woman was describing her husband to a friend: 'He's the kind of man who always hits the nail right on the thumb.'"

"An expert is a man who will know tomorrow why the things he predicted yesterday didn't happen today."

"If you don't think there is strength in numbers, consider the fragile snowflake. If enough of them stick together, they can paralyse a city."

"Every journey of life can be an Emmaus journey where we meet the Lord. Every altar can be the altar of Emmaus, and every meal can be a time of friendship, care and nourishment for body and for soul. The Lord is present in love, care, creation, prayer and the Eucharist. Lord, lift our hope and our faith in Your Presence as the disciples found their hearts burning when they listened to you".
