Prayer For Back to School

Dear Lord,

as our students begin a new school year,
we pray that you will keep them in your care.
Send your Spirit to open their minds
to all that is true and beautiful and good.
Help them to see the gifts and talents
You have given them and to use them well.
Help them to grow in knowledge and wisdom.
Help them to be kind to others
and lead others to be kind to them.
Give their teachers patience and understanding
and help them teach what is just and true.
Send your angels to guide and guard our
children and to keep them from all harm.
Open their young hearts to your Presence
and enfold them in your peace and protection.
Hold them in the palm of your hand
and bring them home safely at day's end. Amen

As part of **Palliative Care Week 2023**, All Ireland Institute of
Hospice and Palliative Care is calling on people in Clare to
become better informed and to have conversations with friends and
family about the benefits of palliative care. The campaign reaches
its milestone tenth year this Autumn, and will take place from **10 to**
16 September. Palliative Care Week 2023 aims to educate people
across the island of Ireland about the positive impact that palliative
care can have on quality of life and to encourage them to learn
more about the services available, should they need them in the
future. This year's theme is
'Living for Today, Planning for Tomorrow'
