Mother's Day Prayer

Loving God,

....We thank you for the Love of the
....Mothers you have given us.
....Whose Love is so precious that it can never be measured.
....Whose Patience seems to have no end.
....May we see your loving hand guiding them.

We ask you to Bless them with your own special love.

We Pray ...

... For those who are grieving the loss of their Mother.
....For those who have experienced the wonder of
....an adopted Mother's Love.
....For families separated by war.

Lord, give them your special Blessing.

**We remember with Love and Gratitude
All our Mothers living and dead
on this Mother's Day**

*"May there be peace within you today.
May you trust God that you are exactly where you are meant to be.
May you embrace endless possibilities that will
always come your way.
May you use the gifts that you have received and
pass on the love given to you.
May you be content knowing you are a child of God.
May you feel unburdened, free and energised
by a sense of God in your life.
May you know that it's ok not to have it all worked out
and that God will also help you work it out too!
May you treasure this day as a precious gift and be
open to some surprise along the way.
May you finish today with a sense of gratitude
knowing you have done your best.
May you be Blessed!"*
