A Summer Prayer

*Father, Creator of all,
Thank you for Summer!
Thank you for the warmth of the sun
and the increased daylight.
Thank you for the beauty we all around us
and for the opportunity to be outside
and enjoy your creation.
Thank you for the increased time we have
to be with our family and friends,
and for the more casual pace
of the Summer season.
Draw us closer to you this Summer.
Teach us how we can pray
no matter where we are
or what we are doing.
Warm our souls
with the awareness of your
presence and light our paths
with your Word and Counsel.
As we enjoy your creation,
create in us a pure heart
And a hunger and a thirst for you.*

May you breathe in the beauty of Summer with its power of transformation...

May you seek and find spaces of repose during these Summer months...

May these moments refresh and restore the tired places within you...

May you be open to times of celebration and recreation that are so much a part of Summer...

May your eyes see the wonders of Summer's colours...

May these colours delight you and bring you joy ...

May you feel energy of Summer rains penetrating thirsty gardens, golf courses lawns and farmlands...

May your inner self be refreshed, restored, and renewed...

May you enjoy the unexpected and find surprises of beauty and happiness as you travel the roads on Summer holidays...
